The screenshot displays a GM interface with several panels:

- Tickets:** A table with columns for ID, Name, Created, Modified, and Assigned To. It lists three tickets, with the first one being 'Test'.
- Test's Ticket:** A panel for the selected ticket, showing a chat window and buttons for 'Delete', 'Assign', 'Unassign', and 'Spy'.
- Test:** A detailed view of the character 'Test', including level (1), class (Druid), account name (CHOCOCHAOS), and various status fields like IP/Latency and Last login.
- Builder:** A panel for moving and rotating objects, with fields for X, Y, Z, Q, and rotation, and buttons for 'Move', 'Add object', etc.
- Spawn Macro:** A panel for creating and running macros, with a 'Run macro' button.
- Assign To:** A small panel with an 'Assign' button.
- GM/GMie:** A panel showing GM status like 'GM mode ON', 'Chat badge OFF', and 'You are VISIBLE'.
- Command Menu:** A dropdown menu with 'Quick Commands' expanded, showing options like 'Revive', 'Appear', 'Summon', 'Freeze', 'Unfreeze', and 'Spy'.

At the bottom left, a chat log entry reads: 22:13 [Choco] says: hello!
